Issue of
THE CHRONICLE
Will Be Published January 26th

★ The "ANNUAL REVIEW & OUTLOOK" Issue will include the opinions and forecasts of the nation's banking and corporate leaders on the probable course of the nation's economy in 1967.

★ Get your business perspective on the new year's possibilities from the banking and corporation leaders who manage the country's industries.

★ Here are some of the vital questions which the country's most informed individuals will elaborate on in this issue:

- 1—*What are the basic factors underlying the probable course of business in 1967?*
- 2—*What are the major problems that the various industries face in 1967?*
- 3—*What is likely to happen to prices and values of securities in 1967?*
- 4—*What impact will the Administration's and Congress' foreign policies and domestic programs have on business conditions in 1967?*

You will find the answers to these questions and many others in the "Annual Review & Outlook" Issue of The Chronicle featuring the opinions and forecasts of the country's foremost Management Executives.

★ Do not miss the opportunity to advertise your Firm, Corporation or Bank in this composite cross-section of America's most competent business and financial opinion which will appear in the January 26th issue.
